## PLANTING

Second Baptist Church and the Capital Stewardship Committee are delighted to share some new opportunities for every member to participate in the growth of ministry at our church.

2010 is our **'Groundbreaking Year'** we believe God that this year our dream to begin construction of the new sanctuary will come to fruition and everyone of us has a great role to play to make that happen.

In the Bible we see time and again how God called His people to partner with Him in everything He did, He invited them to sow into the work, to plant seeds in the new land and invest in their own future as a nation.

God invites every one of His children today to trust Him and sow seeds by faith.

Every member of the church and every 'Friend of Second' is asked to give generously to this cause.
